

# UNIVERSITY ACCOMMODATIONS INFORMATION REQUEST

DEAF  
SERVICES  
UNLIMITED

Hello,

I hope this message finds you well. I am a prospective student who is considering applying to your institution. As I explore various universities and their support services, ensuring accessibility for all students is a top priority for me.

I am particularly interested in learning more about the accommodations and support services available for Deaf and hard-of-hearing students at your campus. As someone who is Deaf, having access to resources and accommodations that facilitate a conducive learning environment is imperative for my education.

Could you please provide me with information regarding the specific accommodations and services that are offered to Deaf and hard-of-hearing students? I am particularly interested in learning about:

1. Captioning services for lectures and other audiovisual materials.
2. Availability of sign language interpreters for classes, meetings, and events.
3. Accessible technology and assistive devices provided on campus.
4. Support resources for academic advising and tutoring specifically tailored for deaf students.
5. Any additional services or accommodations available to ensure full participation and integration within the university community.

Furthermore, I would appreciate any insight into the process for requesting and arranging these accommodations, as well as any relevant contact information for the staff members who oversee disability services.

Ensuring equal access to education is crucial, and I believe that understanding the accommodations available on your campus will greatly assist me in making an informed decision regarding my higher education options.

Thank you for your attention to this matter. I look forward to hearing from you soon and eagerly anticipate the opportunity to learn more about your accessibility initiatives.

Warm regards,
